Yuno EG 55 details:

The Yuno EG 55 cabinet brings natural elegance to smaller spaces, crafted from solid European oak and designed to echo the organic beauty of Copenhagen's landscapes. With a width of 55cm, this cabinet is a compact solution without compromising on style or function. The soft-close drawer, fitted with Blue Motion technology, ensures smooth and quiet operation every time. Topped with a sleek Acovi® Solid Surface basin, the Yuno EG 55 blends durability with modern Scandinavian design, making it a standout addition to any bathroom.
